

Early voting for the 2022 Primary Election available now at Town Hall

On April 5, early voting for the 2022 Primary Election began in the Community Room at Schererville Town Hall, 10 East Joliet St., and will continue through Monday, May 2.

Hours are 9 a.m. to 3 p.m. on Mondays, Tuesdays, Wednesdays and Fridays in April. Voters can cast their ballots from 9 a.m. to 7 p.m. on Thursdays in April, and from 9 a.m. to 3 p.m. on Saturday, April 23 and Saturday, April 30.

On Monday, May 2, the day before the Primary Election, the hours will be 9 a.m. to noon.

All voting locations will be closed on Friday, April 15 in observance of Good Friday and the beginning of Passover.

According to public law, Indiana residents are required to present a government-issued ID before

casting their ballots. That ID needs to meet certain criteria:

- Must display your photo
- Must include your name as it conforms to your voter registration record
- Must display an expiration date
- Must be issued by the State of Indiana or the U.S. government.

In most cases, an Indiana driver's license, Indiana photo ID card, Military ID or U.S. Passport is sufficient. A student ID from an Indiana State school may only be used if it meets all the four criteria specified above.

The wearing of face masks inside Schererville Town Hall is optional.

Schererville Morning Call Program designed to check on well-being of Town's senior citizens

"Schererville remains a safe place to live and work because of strong community involvement in our community outreach programs in addition to our well-trained and caring police officers and support staff," said Police Chief Peter Sormaz.

One of those free community outreach efforts – The Schererville Morning Call Program – is designed to check on the well-being of the Town's senior citizens who are living alone. Established in 2013, this program is staffed entirely by members of Schererville's VIPS (Volunteers in Police Service).

Monday through Friday of each week, excluding holidays, the volunteers call individuals participating in the Morning Call Program. Individuals and/or family members can register residents who are to be called, said Police Officer Jeffrey Zemburski.

"Residents or family members reach out to us and fill out one piece of paper that includes the person's name, address, phone number and garage code number, if a police officer needs to gain access to the home in case of an emergency," Officer Zemburski said. "This information can be gathered on the phone when they

call us at (219) 322-5000, ext. 2322 and ask for myself or Police Sgt. Timothy Arvantis."

If the VIPS caller is unable to reach a program participant, a police officer, relative or neighbor will check on that person. That information about who to notify is provided on the registration form, Officer Zemburski said.

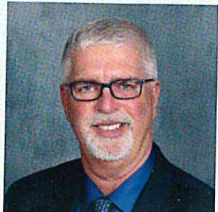

"This system ensures that there is little or no delay if assistance is needed," he said.

This program can also help educate participants about crimes they could experience, including phone calls asking for money or someone coming to the door with fake IDs saying they need to check something in the house, said Chief Sormaz.

To sign up for The Schererville Morning Call Program, please contact Police Officer Jeffrey Zemburski or Police Sgt Timothy Arvantis at (219) 322-5000, ext. 2322.

Food donation drive organized by Schererville Fire Department helps St. John Township food pantry

One of the missions of the St. John Township Trustee's office is helping provide basic needs, including food, for township residents in Dyer, Schererville and St. John facing temporary financial difficulties.

"The St. John Township food pantry is funded and filled by donations from individuals, businesses, organizations including the Girl Scouts and from churches," said Cathy Lareau, St. John Township Trustee. The food pantry is open to those who have completed a Township Assistance application and scheduled an appointment.

In December, the Schererville Fire Department sponsored a food pantry drive outside the Strack & Van Til Food Market in Schererville, led by Battalion Chief Bill Howe, Lareau said. Strack's worked with Howe and Fire Chief Bob Patterson to help the store's customers donate food and money, she added.

"During one weekend, the Schererville Fire Department took those food and monetary donations from people in the community and from Strack's," Lareau said. "The food donations filled an entire ambulance to bring to the food pantry."

In addition to the food, people donated \$1,200 to the food pantry effort, she said.

"After that, Bill Howe said the fire department was working again with Strack's, and we received meat at the beginning of February," Lareau said. "The one-pound packages of hamburger, turkey and chicken breasts are stored in the food pantry freezers."

Working with the community and organizations such as the Schererville Fire Department "is a blessing," she said.

Tri-Town Safety Village welcomes back community with events

It's time to celebrate at the Tri-Town Safety Village, starting with the Spring Flower Sale on Sunday, May 1, and continuing through the summer with classes and a Car Show set for Sunday, July 17!

"Just in time for Mother's Day, the Tri-Town Safety Village will host a Spring Flower Sale from 8 a.m. to 2 p.m. on Sunday, May 1," said Bill Jarvis, Executive Director of the Tri-Town Safety Village, located at 1350 Eagle Ridge Drive in Schererville.

"You'll find beautiful flowers for your mothers and your home," Jarvis said about this event which raises funds for programs at the Tri-Town Safety Village.

Those programs include summer classes for children in 2nd and 4th grades who are home-schooled or attend parochial schools.

"We are delighted to also welcome back children from schools throughout Northwest Indiana for our police, fire and railroad safety classes. The children receive very valuable instruction during these classes," Jarvis said.

"We are happy to have the continued support of three local towns – Dyer, Schererville and St. John – to make our training available to children throughout our community," he said. "We also thank the Schererville Central Lions Club, the Schererville Lions Club and the Schererville Chamber of Commerce for their continued support of the Tri-Town Safety Village."

Another area of the Tri-Town Safety Village honors veterans from all branches of the United States Armed Forces. The Veterans Museum displays an array of artifacts collected by Lake Central High School teacher Tom Clark and his students for more than 35 years as part of the Gold Star project.

"Come visit the museum and talk with a true hero – Tom Clark, who is a veteran of two military actions," Jarvis said.

"Like us on Facebook to get the latest information about our many new events," he noted. "You can also call the Tri-Town Safety Village at (219) 865-9600."

TANG SOO DO KARATE SESSION #3 (FOR AGES 4-10)

TUESDAY, APRIL 12 • 5:30-7:15 P.M.

SCHERERVILLE COMMUNITY CENTER, 500 E. JOLIET ST.

Our children's martial arts programs are high-energy, fun, and interactive. Martial arts classes should go far beyond just kicking and punching. Our classes focus on character development, physical fitness, and self-defense – with the primary goals of building a child's discipline, self-confidence, and self-esteem. The training at our school emphasizes encouragement and positive correction, and we work hard to ensure all students are treated with dignity and shown respect.

Our instructors, under the direction of 4th degree black belt master instructor Adam Theros, will teach curriculum that is fun, challenging, and aligns with Northwest Indiana Martial Arts Academy and the World Tang Soo Do Association. When you join our club, you become part of a world-wide organization with more than 200,000 members.

Champion Squires, ages 4-6, will attend class from 5:30 p.m. to 6:15 p.m.

Junior Knights, ages 7-10, will take a lesson from 6:30 p.m. to 7:15 p.m.

The fee is \$49 for residents and \$58.80 for non-residents. *Masks are optional.*

Residents can sign up for RAVE Alert & Smart911

Sign up to receive alerts

Emergency alerts and notifications via Phone call, text message, email and social media

Sign Up Now

Schererville residents who want to receive a variety of notifications from the Town can sign up for a free Smart911 account. This allows residents to receive alerts from the Town via the Rave Alert System. Alerts can come in the form of emails, text messages, or voice messages, said Dan Gin, Director of Information Technology.

Examples of RAVE alerts include information about severe weather, road closures, boil water advisories, local emergencies and how to respond, and other important notices. For example, his past winter RAVE was utilized to remind residents of street parking ordinances during snowfall events and trash pickup delays due to inclement weather, he noted.

Residents can rest assured that if they do not want to sign up for this service, it won't affect their ability to dial 9-1-1 in the case of an emergency. All 9-1-1 calls will continue to be handled as they have in the past, Gin said.

However, signing up for Smart911 allows residents to create a safety profile that will provide emergency dispatchers with valuable, time-saving information, he noted. Residents are able to add as little or as much information to the profile as they want. Information may include allergies, medications taken, medical conditions, pets, emergency contacts, and more.

Residents new to Smart911 must create a new account in order to use it and opt-in to RAVE Alerts. To sign up for Smart911, visit <https://www.schererville.org/smart911>, click on the green "Sign Up Now" button, and then follow the instructions.

Residents without internet access who are interested in signing up for notifications are advised to ask a friend, family member, neighbor, or other trusted person to assist them. "The Town does not maintain accounts for residents nor do we have access to their accounts," said Gin.
