ONLINE BILL PAY & PAPERLESS BILLING

For your convenience, you can now visit www.schererville.org and pay your water bill on line. Just click on Pay Water Bill on line. You can choose to do a one-time pay or register. There are several benefits to registering for online billing including the ability to check previous invoices, the option to go paperless, it offers an easier way to store information, and of course gives you the ability to pay anytime from anywhere.

Another option is the Direct Withdrawal Program. If you forget to pay your water bill, a common mistake, there's no need to worry when you are registered for the automatic withdraw program. Your payment will be automatically withdrawn from a checking account of your specification on the 24th of every month. This program takes the hassle right out of the process. There's no more check to write, no need to call and pay over the phone, and no rushing to Town Hall to pay that bill that always seems to slip your mind. When enrolled in the Direct Withdrawal Program, you will still receive your water bill as usual but it will be marked with Direct withdrawal - do not send payment. Bank information is securely maintained.

SUMMER SEWER RATES

From the time your water meter is read in the beginning of May to the time it is read in the beginning of September, residents receive a discount on their sewer rates known as Summer Sewer Rates. An average household uses 2,000 gallons of water per person each month. If two people live in the house they should use approximately 4,000 gallons of water per month. During Summer Sewer Rates if they use 10,000 gallons of water, they are only charged for 4,000 gallons of sewage, but still pay for the 10,000 gallons of water that were used. If you plan on filling your pool or hot tub before May 1st or after September 1st, please read your water meter before and after usage, and call the readings into the Clerk-Treasurer's Office: (219) 322-2211 Ext. 5

Town Welcomes New Officer

Officer Justin Juarez has joined the ranks of the Schererville Police Department. Originally hired by the East Chicago Police Department almost a year and a half ago, Officer Juarez was offered and accepted an employment opportunity with the Schererville Police. Officer Juarez was

highly ranked at the Police Academy, earning several awards during his time there. He has made an immediate impact within the department, proving to be an excellent choice to serve the residents of the Town of Schererville. Welcome, Officer Juarez!

#SundayFunday Farmer's Market

In celebration of Pet Day, August 28th, you are invited to bring your four-legged-pals down to the Farmer's Market in Redar Park between 11:00 AM-5:00 PM. #SundayFunday will take place in collaboration with the Country Affair during the same time that day. To learn more about the #SundayFunday and the newly expanded Farmer's Market, you can follow along on Facebook/Schererville Farmers Market.

Evening With The Symphony

On Saturday August 13th the Town of Schererville will proudly present a summer concert featuring the Northwest Indiana Symphony. There is nothing quite like beautiful music played with absolute precision, layers of sound seeping below your skin and raising the hairs on your arms. Allow yourself this summer night to appreciate the brilliance of music that does not require words to tell a story. The entertainment will begin at 7:30 PM in Redar Park. Make sure to bring your lawn chairs, picnic baskets and blankets for this unforgettable evening. In case of inclement weather this event will be held at the Lake Central Field House.

Evening Under The Stars

Our Schererville Parks Department invites you to attend an evening of Big Band and swing music under the beautiful and majestic night sky that most often hides itself behind the light of day. "Bopology" will be performing at the Schererville Community Center on August 29th from 7:00-9:30 PM. The band boasts a lineup of talent from Chicago to the East Coast, performing stylish swing and "Rat Pack" music featuring a piano, bass, vocals, saxophone and trumpet.

Take a night to appreciate the swirling exhilaration of beautiful music beneath the vast and starry sky. There will be limited seating, so bringing lawn chairs and blankets is strongly recommended. The party must go on regardless of weather. If Mother Nature doesn't cooperate, the event will move inside the Community Center.

TOUCH A TRUCK

Does your child have an interest in trucks - the big ones such as fire trucks, semi-trucks or front-end loaders? Does he or she carry tiny versions of them around in his pockets? Well, on August 20th, you can bring your child to our touch-a-truck event where he or she will be able to see, touch and possibly even get to climb up on and through some various big trucks. This is a free event set to take place from 9:00 AM to 11:00 AM on Saturday, August 20th.

Country A-Fair Comes To Town

On September 18th, make your way over to Redar Park for a full day of activities and offerings including crafts, produce, games, food and, most importantly, fun. Beginning at 11:00 AM and continuing until 4:00 PM there will be more than enough time to shop, dance, enjoy the petting zoo, ride the ponies, or even throw your hat into the rings at some of the games and contests, all of which will have age specific categories. Interested vendors and crafters should pre-register with the Parks Department at (219) 865-5530. Onsite registration is dependent on space, and cannot be guaranteed.

150 YEARS - A TIME FOR CELEBRATION

151 years ago there was no Schererville, just wilderness. Time is a funny thing, it is always moving forward but we are only aware of it on the edges of our consciousness. In fact we only really appreciate time when we are looking back. There is pride in growth and wisdom in loss, but time changes people and places, too. After it was settled in 1866, the area was rural country before developing into a perfect example of small town America. Today it is a vibrant suburb attracting new residents and new businesses every day. Given enough time, everything changes. Luckily for the residents of Schererville, the place they call home keeps getting better. What is 150 years if you can't look back, if you can't revel in nostalgia and feel pride at what has become of humble beginnings?

The 150th anniversary is known as the sesquicentennial but, really, it's a birthday and what better way to celebrate such a monumental occasion than to throw a lavish party. The Town of Schererville has decided to do exactly that with a two-day event on Friday, September 9th and Saturday, September 10th for the residents of Northwest Indiana to come out and enjoy. A town's spirit is made up of the individuals who call it home and a century and half is a big deal, deserving a huge to-do. There will be food,

food trucks from some of the very best Schererville has to offer, craft vendors as well as a German themed section, and live music on both nights, the Final Say on Friday and what is being dubbed as the Ultimate Classic Rock Experience on Saturday from 6-9 PM. It will include Kofi Baker, Corky Laing and The Artimus Pyle Band. There will be carnival rides and bouncy houses for the kids to enjoy and, for the truly adventurous, hot air balloon rides offering the best view of our town.

Festivities begin at 5 PM on Friday, 4 PM for VIPs. There will be a surprise celebrity host in the beer tent sponsored by the American Legion and the Schererville Fire Department. Saturday is an all-day affair starting at 1:00 PM and going all the way to 9:00 PM with VIP access one hour earlier, and will no doubt be lively.

For more information please visit facebook.com/Schererville or Schererville.org. There are still openings for interested vendors but it is first come, first served, so if interested go to the website and fill out a sponsor and vendor submission form or contact the marketing coordinator Monica Jimenez-Susoreny at (219) 455-1744 or marketing@schererville.org.
