

## PPE Marketplace

A program to connect small businesses  
and nonprofit organizations with PPE so  
they can safely reopen

**#backontrack**

## PPE Marketplace

**WEDNESDAY:** Marketplace opens for orders

**FRIDAY:** First deliveries

**GOAL:** About 10,000 orders fulfilled this week

**#backontrack**

## PPE Marketplace

### Who Qualifies?

- Businesses or nonprofit organizations registered to do business in Indiana with the Indiana Secretary of State
- Those employing less than 150 associates
- An organization that must use PPE to reopen and comply with safe workplace requirements
- Businesses should try to order PPE, using state market place as a backup.

**#backontrack**

## PPE Marketplace

### Who Qualifies?

- Restaurants, retail sales, personal services and office environments

### Does it cost?

- The state of Indiana is initially fulfilling orders at no charge. When that changes will depend on multiple factors

**#backontrack**

## PPE Marketplace

### What PPE can your business receive?

- The marketplace bundles will consist of masks, hand sanitizer and face shields
- Some orders will only be partially filled

**#backontrack**

# Order portal will open Wednesday at [backontrack.in.gov](https://backontrack.in.gov)

**IN.gov** Indiana Small Business PPE Marketplace

## Requestor Information

This online hub serves as a resource for Indiana small businesses employing up to 150 associates that are in need of personal protective equipment (PPE) to ensure the health and safety of their workforce during the Coronavirus (COVID-19) pandemic. All businesses are encouraged to first source and procure PPE on their own. This service is designed to serve as an alternate backstop for employers most in need.

Please note that online orders submitted here are not guaranteed. This is an unprecedented time with increasing demands worldwide, and conservation efforts are essential to protecting the limited supply of PPE for all workers, particularly front-line healthcare workers and first responders treating COVID-19 patients, statewide.

All requests will be evaluated and fulfilled based on work environment risk profile, stock availability, and the number of outstanding requests. At times, partial or delayed fulfillment of requests may occur. We appreciate your continued patience and understanding during this time.
